

20+ HEAL AND ATTACK EFFECTS

Thank you for downloading **20+ Heal And Attack Effects**! If you find this asset useful you can rate it on the Asset Store.

In this PDF you will find more information about the asset!

CONTENT

This asset contains 22 effects – 11 attack effects and 11 heal effects! The attack effects have 2 variations each – fast & normal.

GET STARTED

First you have to open the .unitypackage depending on your Rendering Pipeline. If you are on URP select the URP_HealAndAttackEffects, if on HDRP – HDRP_HealAndAttackEffects and Built In RP – BuiltInRP_HealAndAttackEffects.

Then you just have to select the effect you want and add it to the scene you want.
